Pam and Belinda – In addition to adding Leif Palmer and Kavita Nagrani to the meeting with the Seminoles on Sep 28 at 10:30-12:00, would you also please add Suzanne Armor to the list of invitees? Also, attached is the meeting request referenced in my email below for a pre-meeting with the RA for Friday, Sep 28, to prepare for the meeting with the Seminoles. Thanks! Tom

Pam and Belinda – Would you please add Leif Palmer and Kavita Nagrani to the meeting invitation? Also, Jeaneanne would like to have a “pre-meeting” with Mary for sometime on Friday, so I will send that to Pam shortly to forward on to Belinda. Thanks! Tom

Hi Kelly,

I’ve spoken with Nicey (IT department). She stated “an invitation from either direction will work because it will come with an internet-based link which will allow access to either platform”. This is new information for me because it seems I’ve heard the opposite in the past but maybe things have changed. I’ll leave the final call to you guys but please keep me and Belinda in the loop in case there are further actions we need to take.

Thanks Pam. I’ve contacted the Seminole Tribe but was sent to voicemail, I’ll update as soon as I hear back.

Ok Kelly,
Would you please confirm with the others **exactly** who is supposed to generate the invitation because a mtg. request form went forward from Tom yesterday and Belinda has it. I don't know if action has been taken on it yet. I have to search for the meetings in Jeaneanne's calendar, but I'll call IT for you to find out if we have webx conferencing capabilities.

Pam,

The Seminole asked for a meeting on 28th. They specifically asked for WebEx platform to be used. I assume my contact at the Tribe is planning to initiate the meeting invite (contacting him this morning) but if not, do we have access to WebEx?

Thanks,

Great! They're ready for the invitation to go out.
Is your hold for the 29th?
